**BUILDING AND STANDARDS BOARD AGENDA ITEM #8 FOR
WEDNESDAY, January 29, 2014**

**ENVIRONMENTAL SERVICES DEPARTMENT
CODE COMPLIANCE DIVISION**

**MEMORANDUM
January 15, 2014**

TO: The Honorable Chairman and Board Members

THROUGH: Elda Rodriguez-Hefner, Division Manager, Code Compliance Department

FROM: Ron Roth, C.B.O., Deputy Building Official

SUBJECT: 3114 Findley Avenue, El Paso, Texas, 79905-3505

The following is a brief chronology of the investigation of the referenced location:

- 1) First investigated April 27, 2010 and several times thereafter. The property was condemned on June 30, 2010 to be maintained secure and clean, then condemned on June 26, 2013 to be demolished and the premises cleaned. The single family dwelling was built on or about 1916. The structures were found open, abandoned and being used as harborage by unwanted persons. The structures suffered extensive fire damage in October 2013. The exterior walls are deteriorated; the plaster coating has fallen exposing the underlying adobe. There is trash, weeds and debris throughout the property.
- 2) A certified condemnation letter was mailed to Carmen R. Garcia on April 29, 2013
- 3) Certified notices of the public hearing scheduled for June 26, 2013 were mailed to the owner and all interested parties on January 16, 2014.
- 4) As of January 15, 2014 \$9,081.02 in taxes is owed.

The owners have been notified of the property violations at this property. The City of El Paso cleaned and secured the property on January 10, 2014. There has been no response or corrective action taken by the property owner and therefore the Department recommends that it be found:

- 1) That the structures are substandard, and unfit for habitation or use and a hazard to the public health, safety, and welfare; and
- 2) That the structures are not in substantial compliance with the municipal ordinances regulating fire protection, structural integrity, and disposal of refuse; and
- 3) That the structure certificate of occupancy remain revoked; and
- 4) That the structure cannot be rehabilitated; and
- 5) That the structure be demolished within thirty (30) days; and
- 6) That the premises be cleaned within thirty (30) days & maintained clean thereafter; and
- 7) That upon failure by the owners or any other interested party to comply with the order of the Building and Standards Commission the City may take whatever action is necessary to bring the property into compliance, and place a lien on the property for the work which will be done by the City.
